

OPERATION CAREER LAUNCH

Have you ever wished you could start a new career? One that pays well, is exciting and will give you the opportunity to grow and make more money in the future, even if you don't have a college degree?

If you answer yes, the Sustainable Workplace Alliance can help you! Over 3 ½ weeks, you will be provided with valuable training and nationally recognized certifications to help you gain access to the Central Florida's lucrative environmental and construction fields. Upon graduation, we also help with job placement services!

The best part is that this job training opportunity is provided at no cost to you. Your tuition will be paid for through a National Grant program.

This no cost job training program has helped thousands of graduates find well paying, satisfying jobs - **You deserve to be next!**

Coming soon to Central Florida!

Space is VERY limited so don't wait! To complete your application now, simply click the QR code here or use this link:
